

## John A. Long, D.D.

John was a member of many community and civic organizations, but none meant more to him than his 58-year membership in Rotary.

Dr. Long served in great capacity and was always a wealth of Rotary knowledge for new and not-so-new members alike.

John loved to honor those that meritoriously served our community and served as the Chairperson for the Vocational Service Award for many years. Upon his death in 2014 it was an easy club decision to rename this honorable award as:

*The John Long
