giftoflifeinternational.org

Children dance in celebration and thankfulness at the one-year reunion of their life-saving surgeries.

This year marks the eighteenth anniversary for the Gift of Life Auction. The Rotary Club of Greenfield works to assist children all over the world with life-saving heart surgeries. This event typically raises in excess of \$40,000 annually for this wonderful cause. We are currently seeking sponsorships for this event.

Funds raised from these sponsorships will be used to fund team travel expenses and operations on missions outside of the U.S. as well as provide for medical and hosting expenses for children brought to Indiana for care. Would you consider assisting Rotarians as they offer the Gift of Life to children around the world?
